Keep It Local, Florida - ALERT! Contact your representative to protect local control

Last week, we announced the exciting launch of KeepItLocalFlorida.org—an initiative by local civic leaders working to empower Florida’s towns and taxpayers.

Now, we need your help to stop a major threat to home rule.

Next Tuesday, the Florida House of Representatives Finance & Tax Committee plans to release a bill that would funnel certain local tax dollars directly to Tallahassee for “redistribution.” The unprecedented measure would place an artificial two percent cap on local government revenue and send any money that exceeds that cap to Tallahassee ([Click here to read more](#)).

Tell your state representative that we cannot balance Tallahassee’s budget by busting the budgets of Florida’s local communities.
